North Central Sight Services, Inc. Names *Blind Employees of the Year* for 2016

North Central Sight Services, Inc. awarded Sierra Diggan, of Linden, and John Denmark, of Williamsport, as its *Blind Employees of the Year* for 2016. Both will be nominated for the *Milton J. Samuelson* and *Peter J. Salmon* distinctions that are awarded by National Industries for the Blind.

Sierra Diggan, the Milton J. Samuelson Nominee, is a Customer Service Representative at North Central Sight Services and has been very versatile during her seven year tenure at the agency. She has worked in many departments and always learns quickly her new roles and responsibilities.

John Denmark is the agency's Peter J. Salmon Nominee. He is currently employed in the agency's Vending Department. John began his employment with North Central Sight Services in 2009 as an industry associate. He is currently a spokesperson for the agency's eSight initiative. John wears his eSight eyewear everyday on the road and is often stopped by people who inquire about his experience. John is more than willing to share his life-changing journey.

"Being nominated by my peers for the Peter J. Salmon award has been my most treasured accomplishment," says Denmark. "I worked very hard to be recognized by my fellow employees and was very humbled when I learned that my perseverance paid off," John continues.

Both associates will be honored in September at a conference sponsored by the National Association for the Employment of People Who Are Blind and National Industries for the Blind.
